

## **Criteria 6.2.1 Institutional strategic perspective plan is effectively deployed**

### **Additional Information**

- To utilize the maximum resources of the institute, our college has decentralized the power structure. The institute has established 38 committees, which govern and operate all academic and non-academic activities of the college.
- For any academic or non-academic activity, these committees coordinate with IQAC committee and then take any further step and decide the main motives of programs. Every committee tries its best to help students in their overall development throughout the year.
- The institute is always careful that there should be maximum participation of all teaching and non-teaching staff in these committees.
- The institute has established Saptdhara Committee which helps students in their overall development through their various programs.
- The institute also supports all teaching staff to join Faculty Induction Program and Refresher Course. So, then can upgrade their knowledge in their specific area.
